GLOBAL  
HIGHLIGHTS

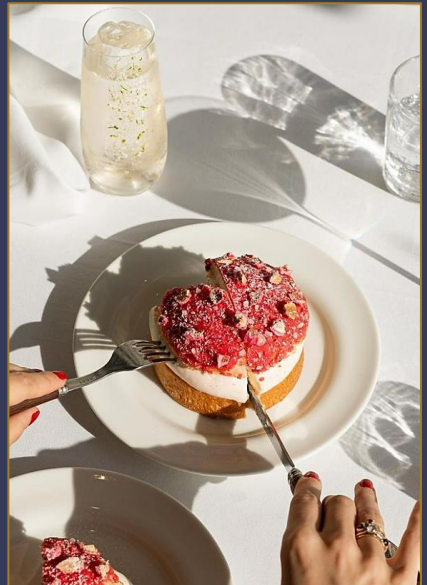

## LPM Dubai

The history of La Petite Maison began in 1988 on the French Riviera, with further outposts opening around the world 20 years later.

Here in LPM Dubai, customers can judge it for themselves, with Mediterranean cuisine prepared with Niçoise touches and served by a well-trained team in elegant surroundings.

Dishes like thinly sliced octopus or salt-baked sea bass will put you in a sunny mood; and be sure to leave room for the pistachio cake.

## XU Dubai

Half hidden away in the Kempinski hotel MOE lies Dubai's newest and most enigmatic restaurant, XU.

In a setting adorned with lanterns, neon lights, crimson-tiled walls, and mirrored ceilings, XU offers an ambiance that is both alluring and mysterious, guests can indulge in exceptional Cantonese-inspired cuisine with additional Southeast Asian flavors, creating a culinary experience unlike any other.

Members are entitled to Complimentary welcome drink or dessert.
